### **WHO:**

Players born 2007-2009. There are limited spots. The first 15 will be accepted.

*Goalies – please contact Ryan if interested in attending. There will be no charge, as there will be no goalie instruction. You will have lots of action and shots.*

### **WHAT:**

Each ice time will consist of offensive play tactics. These will be done in a variety of ways from full ice drills, small group stations and individual settings. The players will have an opportunity to work on new skills and improve current skills. Some of these will include – shooting, passing, deflections, rebound chances, dekes, entries, positioning – and many more.

### **WHY:**

This is a chance for those that want a more skill development along with some personal instruction. The environment will allow for many reps and the chance to work on those offensive skills that you don't always get to during regular practice. The idea is to give players more reps and feedback so that they can take this forward with them into their winter season.

### **REGISTRATION:**

Registration will be on a first come first serve basis. There are will 15 spots open for the group.

### **COST: \$175**
