St James In Service Days at Allard

Come work on the skills to elevate your game, while having fun. A perfect day for active boys and girls to use up that energy. Edges for speed, puck control and shooting are a few of the things we will work on during the 1.5 hours of skill work followed by 30mins of small area games.

Goalies won't be left out. They will have an on-ice instructor work with them to improve and solidify the technical part of their game.
